WoodArt MODULAR KITCHEN

A Kitchen is the most favorite space for the one who seeks companionship in cooking. Kitchen is where the heart of a dedicated home maker lies, and where everything pertaining to food is revered. Considered to be more than a food junction,

CHOOSE KITCHEN LAYOUT

1. L-Shaped Modular Kitchen
3. U-Shaped Modular Kitchen

2. Straight Modular Kitchen
4. Parallel Modular Kitchen

WARDROBE DESIGNS

Wardrobes take care of the storage problem for any home. Wardrobes are essential not only to store cloths and footwear in optimum condition but also to store whatever needed.

TV SHOW CASES

WoodArt offers different type of T.V. Showcases with various finishes and styles like Edgeband, Postform, membrane, Aluminium Glass and also in Solid Wood with colours of more than 70 varieties.

CHIMNEYS

WoodArt offer both traditional and decorative models with beautiful designs in Stainless Steel and Tempered Glass Styles in association with Kutchina. The suction capacity of WoodArt-Kutchina ranges from 500 m³/hr to 1080 m³/hr, which are very much required for Indian style of cooking.

SINKS AND HOBS

WoodArt offer different types of hobs with much needed (4) burner option in beautiful SS and Glass styles with Auto Ignition and other facilities.varieties.

OFFICE FURNITURE AND INTERIORS

WoodArt Imagine professionals wearing suits and sitting on the floor and doing the work on their laptops. As funny as it sounds, it is indeed impractical and no one would like to work in or with such an office.varieties.

CROCKERY UNITS

Wardrobes take care of the storage problem for any home. Wardrobes are essential not only to store cloths and footwear in optimum condition but also to store whatever needed.

ACCESSORIES

WoodArt From family dinners and annual parties to perfecting your favourite dish, your Kitchen is the heart of your home. With sophisticated and functional WoodArt Kitchen appliances, you don't just feed your family and friends, you improve their quality of life.
